Key features and description:

- Flush connection joint between solid wood legs and metal frame
- E0 beveled-edge melamine top, stain resistant and easy to clean
- Powder-coated steel frame/shelf
- Complete five years guarantee

Trio features a sturdy steel frame that connects solid wood legs and melamine top. Trio desk matches with many decors and it's ideal for young professionals and students. The wall-mounted desk is a compact solution that ensure remarkable strength and weight capacity. The meeting table can accommodate from four to six people and features a convenient open shelf under the top.
